# Why docs?

Divya_Mohan02

This is how we do it!

- #sig-docs leading all documentation efforts

- Various sub-projects & localizations for focus on specific areas

  - #sig-docs-blog for blog content

  - 17 localization groups for different languages (as of today)
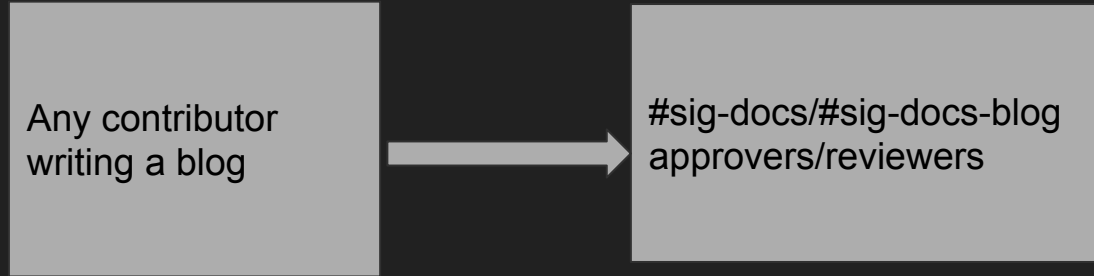

- Responsible for content appearing on:

  - https://kubernetes.io/docs/home/

  - https://www.kubernetes.dev/

This is how we do it (ft. the Release team)

```
┌─────────────────────┐              ┌─────────────────────┐
│ Release team        │              │ #sig-docs/#sig-docs-blog │
│ vertical for        │ ──────────►  │ approvers/reviewers │
│ documentation       │              │                     │
└─────────────────────┘              └─────────────────────┘
```

Divya_Mohan02

This is how we do it (ft. our contributors)

```
┌─────────────────────┐          ┌─────────────────────────┐
│                     │          │                         │
│  Any contributor    │ ───────▶ │  #sig-docs/#sig-docs-blog│
│  writing a blog     │          │  approvers/reviewers    │
│                     │          │                         │
└─────────────────────┘          └─────────────────────────┘
```

Divya_Mohan02

This is how we do it (ft. pesky typos & bugs)

Proactive/retrospective flagging of issue → #sig-docs/#sig-docs-blog approvers/reviewers
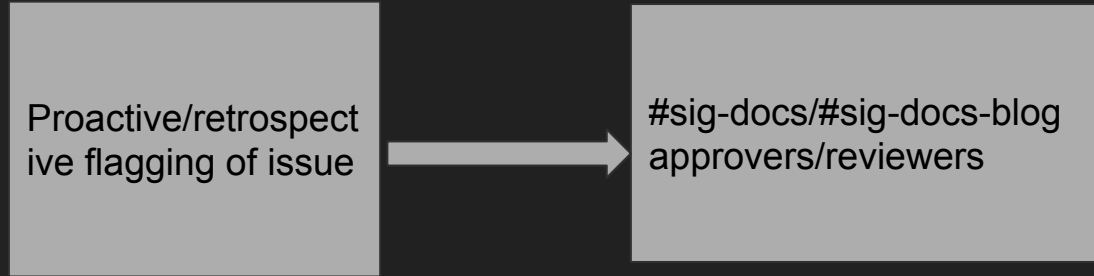

Divya_Mohan02

We're all in this together!

- Read the contribution guide - https://kubernetes.io/docs/contribute/

- For localizations - https://kubernetes.io/docs/contribute/localization/

- Join #sig-docs on slack.k8s.io

- Attend meetings (Slack, Zoom)

  - We even have APAC friendly ones!

- Check kubernetes/website for open issues with labels - help/wanted
